August 5, 2008

ATTENTION ALL REQUEST FOR BID (RFB) HOLDERS

RFB NO. 108099 - ADDENDUM NO. 3

AVIARY BOILER REPLACEMENT

BIDS DUE: THURSDAY, AUGUST 12, 2008, 2:00 PM. **DUE DATE AND TIME ARE CHANGED BY THIS ADDENDUM.**

This Addendum is issued to modify, explain or clarify the original Request for Bid (RFB) and is hereby made a part of the RFB. **Please acknowledge all addenda on the Bid Form.**

PLEASE MAKE THE FOLLOWING CHANGES:

1. Buffer Tank and Expansion Tank

- a. The 22-gallon expansion tank was improperly called a buffer tank in numerous sections of the specifications, including the Invitation to Bid, Bid Form, and Basic Requirements.
- b. To clarify, the existing expansion tank is being removed and replaced with a new 22-gallon expansion tank equal to TACO CAX-84, with 22 gallon volume and 12 gallon acceptance.
- c. In addition to the expansion tank replacement, a larger buffer tank is being installed. This buffer tank is described in Specification Section 23 52 10. As described in this Section, the buffer tank will either be a 120-gallon or a 140-gallon buffer tank.
- d. As explained in Addendum #1, the buffer tank will fit on the existing concrete pad, so no concrete Work is needed for this project.

2. Controls

The present temperature control Contractor for this building, Building Automation Control Technologies, has raised a question about the need for a new control panel, as specified in Paragraph 2.2 of Specification Section 23 52 00. Any change to what is specified in this Section will be addressed in an addendum, which will be issued by Thursday, August, 7, 2008.

3. Bid Due Date

Due to the recent changes in this bid, the bid due date has changed to Tuesday, August 12, 2008 at 2:00 PM. Bids are due no later than this time at Dane County Public Works, Highway & Transportation Dept., 1919 Alliant Energy Center Way, Madison, WI 53713.
